REQUEST FOR CORRECTION OF CORRESPONDENCE ADDRESS
AND NEW ACTION

Sir:

On March 30, 2009, an Office Action issuing a restriction requirement and requirement for election of species was mailed in the above application to the wrong correspondence address. The correspondence address should be that which is associated with Customer No. 2071, namely McGlinchey Stafford, PLLC
Attn: IP Group
301 Main Street, 14th Floor
Baton Rouge, LA 70802

This mailing error was brought to the attention of Supervisory Patent Examiner Jeffrey Stucker in a phone conference on April 29, 2009, by the undersigned and it was suggested during the call by Mr. Stucker that this request be submitted.

Therefore, since the Office Action was erroneously mailed by the PTO, it is requested that the Office Action be re-issued to the correct mailing address set out above and that the deadline to respond to the Office Action be re-set to allow applicant time to respond. Applicant further requests that the correspondence address as shown on the PAIR system for this application be corrected to the address associated with Customer No. 2071.

Respectfully submitted,
McGlinchey Stafford, PLLC
